

## INSTITUTE OF STATISTICAL, SOCIAL AND ECONOMIC RESEARCH (ISSER) UNIVERSITY OF GHANA

### JOB OPPORTUNITY

The Institute of Statistical, Social and Economic Research (ISSER) is collaborating with the Global Poverty Research Lab. (GPRL) to undertake the third wave of the Ghana Socioeconomic Panel Survey (ISSER/GPRL III). This panel survey is providing a scientific framework for a wide range of potential studies of the medium- and long-term changes that are taking place during the process of development. The survey is being carried out in over 340 enumeration areas across all the 10 regions of Ghana.

In the light of the above assignment, ISSER is inviting applications from suitably qualified persons to fill the position of **Principal Research Assistant**.

#### **Responsibilities**

- Assist in the schedule and implementation of the Wave 3 of the panel survey
- Review and conduct quick quality checks on survey rolling data and give feedback to field supervisors and enumerators
- Participate in field monitoring of fieldwork activities
- Assist in preparation of descriptive and analytical reports
- Draft reports on all other activities relating to the Wave 3 of the panel survey
- Assist the Project Coordinator and Principal Investigators in the performance of their duties
- Perform any other duties as may be assigned by the Director of ISSER.

#### ***Qualification and Experience***

Applicants must possess at least a **M.Phil. /MSc. Degree** in any of the Social Sciences from a recognised university and should have at least 2 years working experience in conducting surveys. Applicants must have a working knowledge of STATA software for data management. Having excellent skills in other statistical analysis software packages will be an advantage.

**Salary:** Negotiable

**Duration of Contract:** One year with possibility of an extension.

**Start date:** Immediate
